All GP practices are required to declare the mean earnings (e.g. average pay) for GPs working to deliver NHS services to patients at each practice.

Brocklebank and St Paul's Group Practices

Declaration of mean GP net earnings for 2014/15

The average pay for GPs working in the Brocklebank and St Paul's Group Practices in the last financial year (2014/15) was £68,762 before tax and national insurance. This is for six full time GPs and 15 part-time GPs, who worked in the practice for more than six months. Part time GPs earned proportionately, dependent upon their contracted hours.
